Snack and Drink Machine

Krystal 183

Krystal 175

Both models are available in 175 cm and 183 cm heights, in “Copper\_Silver” and “Silver\_Anthracite” colours

*The configurations illustrated are only indicative.*

■ The outwardly flexed pocket having a diameter of 23cm, makes the product extremely visible. The position is very high which facilitates product removal. The front opening is one of the biggest on the market.

■ The tray locking system prevents the drawers from shifting from their position even if the machine is shaken, and will not allow the door to shut even if one of the drawers is not positioned correctly.

■ In 2T mode, 700 mm of drawer height is available in the +3°C area with refrigeration safety device. On request special drawers can be provided for correct dispensing of triangle sandwiches in a vertical position.
